MISSION STATEMENT

From the Pastor's Desk

Dear Sisters and Brothers in Christ Jesus,

Abortion in America has contributed to the greatest decline in black population since the first black slaves arrived in the Americas in the 1600s. According to U.S. census data, there were 18,871,831 black American citizens in 1960. Since Roe v. Wade legalized abortion in 1973, abortion has killed an estimated 20 million black babies — more than the entire black population of 1960. (Washington Examiner) **THINK ABOUT THIS** the next time the far Leftist racist elitist Media establishment tries to lecture us on the merits of Black Lives Matter!!! They are the problem and the most effective MURDER MACHINE of our Black brothers and Sisters!!! **TRUTH HURTS and silence is complicity!!!**

The Pro-Life movement has been warning us for years, and we have **20 million plus actual instances of Black voter suppression perpetuated by the far Leftist racist elitist establishment (and that does not take into account the population growth from those 20 million which at low estimates triples the number). Votes not suppressed in individual instances at voting locations, but votes wiped out forever at Abortion Provider Facilities!!!** The real racists (far Leftists) do not want a Black population that outgrows the need to be handled by their leftist overlords, but only enough to be a voting block to keep the far leftists in power with the Black population dependent upon these leftist overlords!!! **THINK ABOUT IT!!! The only solution to the plight of our Black brothers and sisters is for them to grow their population to the point of self determination, self reliance and local self governance** fielding public servants that are not tokens of the leftist overlords (Black politicians who don't have to bow to the ideologies that support the institutions that have murdered 20+ million Black children in the womb SUPPRESSING THEIR VOTES FOREVER).

Why would the Black community be complicit in their own self destruction and lack of growth??? This question must be addressed before any meaningful steps can be taken to address the racial divide in our wounded nation!!! I want to perceive our Black sisters and brothers who are protesting as the Mothers and Fathers of doctors, nurses, lawyers, engineers, scientists, business owners, firefighters, law enforcement personnel, farmers, ministers, all of the careers that make any healthy community thrive!!! **This can happen with everybody's help!**

We must cry out from the rooftops that **EVERY CHILD CONCEIVED IN THE WOMB (especially Black children for this conversation), IS A PRECIOUS, GLORIOUS AND WONDERFUL MIRACLE AND GIFT FROM GOD, WHO CREATED THEM IN LOVE FOR GOODNESS, AND DESTINED THEM TO RECEIVE SALVATION AND ETERNAL LIFE IN JESUS CHRIST!!!** This is an especially important message to remind the members of Black Lives Matter! May they stop the madness and advocacy of the greatest threat to Black lives today and everyday that this senseless killing continues!!!

And remember,

You are loved,

Father Patrick

"Protecting our children— Diocese Promise to protect; pledge to heal In an effort to protect all children and to promote healing, the Diocese of Gaylord encourages victims of child abuse or neglect to report the matter. In fact, many professionals are required by Michigan State law to report suspected abuse or neglect of a child or minor. Individuals should contact their local office of the Department of Human Services. If an allegation involves sexual misconduct of a minor by clergy or any employee of the Diocese of Gaylord, even if it is in the past, individuals may also contact Larry LaCross at (989) 705-9010."
