Turning the other cheek is not the withdrawal of the loser, but the action of one who has a greater inner strength, who defeats evil with good, who opens up a breach in the heart of the enemy, unmasking the absurdity of his hatred.
It is dictated not by calculation, but by love. *Pope Francis*

A Prayer for Priests

O Jesus, our great High Priest,
hear my humble prayers on behalf
of your priests. Give them a deep
faith, a bright and firm hope, and
a burning **love** that will ever in-
crease in the course of their minis-
try. In their loneliness, comfort
them. In their sorrows, strengthen
them. In their frustrations, guide
them. In their temptations,
defend them. In their
failures, **restore** them.
Amen

Rest in Peace
